Project Description

As stated by the EBRD, the project consists of a sovereign loan of up to EUR 42 million to the Republic of Türkiye represented by the Ministry of Treasury and Finance, which will be on-granted to Osmaniye Municipality in Türkiye ("Municipality"), to finance construction of a new Wastewater Treatment Plant ("WWTP") with a capacity of 75,000m³/day in the city of Osmaniye.

The project aims to increase the wastewater treatment capacity and to improve the effluent quality in Osmaniye, a region severely impacted by the catastrophic earthquakes of February 2023, by financing the construction of a new WWTP. The project seeks to achieve EU effluent standards for wastewater quality in Osmaniye and reduce greenhouse gas emissions.

The project is expected to improve essential services in the region and support the long-term resilience and sustainability of the city's infrastructure.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
