Project Description

As stated by the EBRD, the project consists of a sovereign loan of up to EUR 95 million to the Republic of Turkiye represented by the Ministry of Treasury and Finance, which will be on-granted to Malatya Water and Sewage Administration ("MASKI"), to finance the rehabilitation and construction works of 485 km water supply network, 127 km wastewater network and 8 km storm water network, and the associated construction supervision services, in the city of Malatya, Turkiye (the "Project").

The Project aims to rehabilitate and upgrade the water supply, wastewater and stormwater infrastructure in Malatya, a region severely impacted by the catastrophic earthquakes of February 6, 2023, with magnitudes of 7.7 and 7.6, to address environmental challenges in the region. The Project seeks to improve water quality, reduce physical losses, and enhance the resilience of essential services by replacing aging infrastructure and restoring damaged systems in line with EBRD environmental and social standards.

The Project is expected to strengthen critical urban services and support the long-term sustainability and climate resilience of Malatya's infrastructure.

The Borrower is the Republic of Turkiye, represented by the Ministry of Treasury and Finance. MASKI is the Final Beneficiary of the Project. ILBANK, a development and investment bank owned by municipalities and provincial special administrations, will act as the Implementation Agency.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
