Project Description

According to the Bank's website, the project consists of the provision of a EUR5 million senior secured loan to Global Export Company LLC.

The project supports the borrower's capital investment in a new processing line and a processing facility, along with permanent working capital needs to expand its exporting operations associated with the growth in organic and sprouting grade mung beans. The project is 100 per cent GET eligible derived from processing low-GHG food products and energy efficient equipment that will replace an old energy intensive line.

Early Warning System Project Analysis

Categorised B (ESP 2024). The Environmental and Social risks associated with capex for a small-scale expansion of processing lines, and working capital for pulses production, allocated to mung bean (mash) procurement, processing, and export, are site-specific and readily addressed. There are no specific environmental or social sensitivities associated with the site.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
