Project Description

According to the Bank's website, the project consists of the establishment of a Western Balkans Green Outcomes-Linked Debt Financing Framework ("WB GOLD", "GOLD", or the "Framework") in Albania, Bosnia and Herzegovina, Kosovo, Montenegro, North Macedonia and Serbia (collectively, the "Western Balkans" or the "WB") for up to EUR400 million in total financing to qualifying Partner Financial Institutions (PFIs) for on-lending to SMEs and Midcaps with the objective to maximise Green Economy Transition (GET) on-lending share of Use of Proceeds (UoP) by introducing a concept of an outcome based quasi-margin adjustment of the EBRD loan. The Framework is supported by grant to support quasi-margin reduction in the format of the payment of results based compensation and a lean Technical Cooperation package.

The Framework aims to guide the financial sector to institutionalise green lending practice into their business model in a sustainable way by introducing outcome-based quasi-margin adjustment mechanism and a lean TC package.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
