Early Warning System Project Manzara

Project Description

According to the EBRD, the project consists of the participation in Ronesans Holding's Sustainability Eurobond for up to USD 55 million.

The Eurobond proceeds will be allocated to finance or refinance eligible green and social projects fully aligned with Ronesans' inaugural Sustainable Finance Framework, enabling Ronesans to (i) partially refinance its current short-term loans and improve maturity profile of its debt portfolio and (ii) finance new capital expenditures and working capital, including *inter alia* in healthcare PPP projects and expansion into renewable energy.

Investment Description

• European Bank for Reconstruction and Development (EBRD)

Early Warning System Project Manzara

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
