Early Warning System Project Analysis

As stated by the EBRD, the Company sources cocoa and palm oil which can be linked to deforestation. Currently, the Company sources 30% of cocoa products certified by Rainforest Alliance and will increase this to 50% by 2030. Palm oil procured is 100% RSPO certified. In preparation for compliance with EU Deforestation Regulation the Company is developing a formal policy on deforestation and will finalise it in 2025. The Company has already issued relevant letters to its suppliers requesting tracing and certifications. The Company is developing a traceability system that sufficiently mitigates risks associated with deforestation in its supply chain. The Client procures from commodity traders with robust policies and systems in place: Cargill and Olam. The Company sources the powder milk from 6 EU based producers (77% from Netherlands, over 21% from Poland and the rest from Italy).

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
