Early Warning System Project Analysis

Categorised FI (ESP 2024).

A review of the investment pipeline identified potential category A projects, and further engagement confirmed that Avallon has an equivalent ESMS in place, enabling investments in such projects. The Fund Manager will need to follow the EBRD E&S exclusion list (ESP 2024). The investments made will have to adhere to applicable legal requirements related to Environment, Social, Health & Safety, and Labour matters. Any Category A projects as outlined in the Environmental and Social Policy (ESP) 2024 must be referred to the EBRD and must meet ESRs 1 to 8 and 10. Additionally, the Fund Manager must submit annual E&S reports to the EBRD, outlining compliance with relevant ESRs and any other E&S issues that arise during the year.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
