## Project Description

As stated by the EBRD, the project consists of the provision of a sovereign loan of up to EUR6.4 million to the Republic of Tajikistan to be co-financed by an investment grant of up to EUR3.6 million from the EBRD Shareholder Special Fund (SSF) for procurement of up to 50 electric buses and associated infrastructure for the public transport operator State Communal Unitary Enterprise Bokhtarnakliyotkhizmatrason incorporated in city of Bokhtar.

The project aims to support Tajikistan's green transition by modernising and decarbonising public transport infrastructure in Bokhtar and its surrounding settlements. The introduction of electric buses and charging infrastructure will catalyse a shift from low-quality informal passenger transportation services to structured, efficient and zero-emission public transport services. The project further aims to reduce greenhouse gas emissions, improve air quality, and expand access to sustainable and safe urban mobility across the Khatlon region.

The project supports Tajikistan's Electric Transport Programme (2023-2028) and National Strategy for Green Economy Development (2023-2037) and complements ongoing efforts to decarbonise the transport sector.

The Republic of Tajikistan, represented by the Ministry of Finance, will be the Borrower. The Company, SCUE "Bokhtarnakliyotkhizmatrason", will be the project beneficiary.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:
