#### **Project Description**

According to the Bank's website, the project consists of an uncapped unfunded portfolio guarantee in the amount of up to EUR 40 million, to be provided by the EBRD as an InvestEU implementing partner to Libra Internet Bank S.A. ("LIB"), as an eligible partner financial intermediary ("PFI") in Romania under the InvestEU Green Uncapped Portfolio Guarantee Framework (the "Framework"). The guarantee will cover a newly generated portfolio of loans financing eligible green projects related to buildings or sustainable transport. The Project benefits from partial first loss risk cover from the European Union under the InvestEU Fund.

The Project will bridge the funding gap for sustainable energy investments in the country and support the resilience of a local commercial bank and expand its green lending capacity. It will further support Romania's national green economy objectives and the EBRD's green economy transition priorities in Romania.

#### **Early Warning System Project Analysis**

Categorised FI (ESP 2024). Libra Internet Bank (LIB), a previous EBRD client, will on-lend for eligible subprojects in energy efficiency, renewable energy in buildings, and sustainable transport, which are expected to present low to medium environmental and social (E&S) risks due in part to a cap on subproject size. The main E&S risks relate to LIB's capacity to implement its Environmental and Social Management System (ESMS), construction-related nuisances (dust, noise, waste), and occupational health and safety.

#### ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
