## Project Description

As stated by the EBRD, the provision of a loan of up to US\$ 17.5 million to JV Techno Cable Group LLC, a producer of copper and aluminium electric cables based in Uzbekistan. The proceeds will finance the purchase of new cable and other cable products manufacturing equipment as well as working capital to purchase raw materials for cable production.

The project aims to boost competitiveness and promote human capital development. It will allow expanding cable and wire production to meet growing local demand. In parallel, the company will partner with a local university to delivery new trainings programmes tailored to the company's needs targeting roles that are in short supply in the local labour market.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
