Project Description

According to the bank provided information, the Green Economy Financing Facility Tunisia ("GEFF Tunisia", "Framework") is the first EBRD GEFF Framework in Tunisia. The Framework totals EUR 58.5 million (TND 200 million equivalent) and will be provided to local Partner Financial Institutions ("PFIs"). The funds will be on-lent to eligible sub-borrowers investing in green eligible equipment/technologies, in a gender-responsive way.

The Facility will be supported by donor funding provided by the European Union ("EU") and the EBRD Shareholder Special Fund ("SSF").

The Facility aims to address the high energy and carbon intensity in Tunisia, which hinders sustainable economic development and the competitiveness of businesses in the country. In addition, the low cost of energy hampers the introduction of green technologies and practices in the local market. Therefore, the Facility will focus on (i) scaling up investments in green technologies in a gender-responsive way, (ii) demonstrating the commercial viability of energy efficiency investments and (iii) encouraging Tunisia's transition to a greener economy.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
