Project Description

According to bank provided information, the project involves the provision of up to USD 25 million loan to Aya Gold & Silver Inc. to support its exploration programme at Boumadine. The transaction presents another opportunity to support the Company, which is an existing client of the EBRD via USD 100 million project finance loan provided for expansion and upgrade of Aya's Zgounder silver mine in Morocco.

The project will enable to support an independent mining company in Morocco to diversify its portfolio and expand its production capabilities beyond the established Zgounder silver mine.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:

http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
