Project Description

As stated by the EBRD, the project consists of a senior unsecured loan of up to EUR 25 million consisting of EUR 23.5 million EBRD financing and EUR 1.5 million in concessional finance component to be provided by TaiwanICDF in favour of BNP Paribas Finansal Kiralama A.S.. The project will enable the Company to finance sub-borrowers implementing green economy investments and promote equal access to green finance for both women and men. Under this operation, the Company will use 30% of the financing to support green investments in the regions affected by the February 2023 earthquakes of Turkiye and the operation is therefore complemented by concessional finance.

The loan will be used by the Company for on-lending to eligible sub-borrowers, including in the Affected Regions implementing GET-aligned green investments including among others energy efficiency, renewable energy and climate resilience measures, including sustainable agriculture, nature and biodiversity, as well as sustainable transport and tourism, while promoting equal access to green finance for both women and men.

The Framework and the project will have a special focus on the region of the country affected by the February 2023 earthquakes, particularly in relation to the long-term green recovery and reconstruction efforts. This window will support on-lending to sub-borrowers in the earthquake affected regions for investments in green technologies and services such as energy efficiency, renewable energy, green buildings, and related working capital, promoting a sustainable recovery.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en
