The loan is under the Egypt Youth in Business ("YiB") programme, and will support Tamweely in on-lending to private youth-led and/or owned MSMEs in Egypt, particularly in remote regions. The loan will be accompanied by a comprehensive package of technical cooperation and investment incentives, funded by the European Union and EBRD Shareholder Special Fund, aimed at strengthening the capabilities of Tamweely and the sub-borrowers while alleviating the impact of macroeconomic turbulences and inflationary pressures on end-beneficiaries.

The loan aims at opening up economic opportunities for young people and promoting their access to finance by supporting the development of youth-led and/or owned enterprises and the non-bank financial services industry in Egypt.
