---

## Project Description

According to the EBRD, the project consists of the provision of a senior secured loan of up to EUR10 million to finance working capital needs of the MaxCopper LLC for the establishment and ramp-up of copper pipe production.

The project aims to boost the Company's growth and competitiveness by establishing modern copper pipes production, while advancing Uzbekistan's industrial diversification, export capacity and skilled employment.

TC support will be provided for the commercial consultant to support export sales plan under the project. The project also benefits from a TC for its legal due diligence, partially funded by the Japan-EBRD Cooperation Fund, and IFRS audit.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
