## Project Description

As stated by the EBRD, the project consists of an up to EUR 40m senior loan to GreenWay Holding S.A. to support the construction and operation of ca 2,700 electric vehicles charging points, in Poland, Slovakia and Croatia as part of the Company's overall expansion programme.

The Bank's proceeds will be used for the development of charging stations for electric vehicles in Poland, Slovakia and Croatia, contributing to an increase of the availability of public charging stations and thereby facilitating uptake of electric vehicles in the region.

## ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:

[http://www.ebrd.com/eform/pcm/complaint\\_form?language=en](http://www.ebrd.com/eform/pcm/complaint_form?language=en)

You can learn more about the PCM and how to file a complaint at: <http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html>
