Project Description

As stated by the EBRD, the project consists of an uncapped unfunded portfolio risk sharing in the amount of up to EUR 110 million, to be provided by the EBRD as an InvestEU implementing partner to Erste & Steiermarkische Bank d.d. ("EBC"), as an eligible partner financial intermediary ("PFI") in Croatia under the EBRD's InvestEU Green Uncapped Portfolio Guarantee Framework. The guarantee will cover EBC's newly generated portfolio of eligible sub-loans for energy efficiency and renewable energy investments in buildings and sustainable transport projects. The Project benefits from partial first loss risk cover from the European Union under the InvestEU Fund.

The Project aims to support the Bank's sustainable agenda in Croatia and the national green economy priorities, specifically in national building stock renovation and sustainable transport. It will bridge the funding gap in sustainable energy investments in Croatia, support the resilience of a systemic bank and expand its sustainable lending capacity.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
