Project Description

According to the EBRD, the project consists of a Portfolio Risk Sharing (PRS, the guarantee) in the form of an unfunded guarantee of up to EUR 75 million provided by the Bank in favour of AccessBank Azerbaijan (AB). The guarantee will cover up to 50 per cent of the credit risk for newly generated MSME loan portfolio originated by AB and is expected to be eligible for the capital relief subject to the regulatory rules and consent.

The guarantee will be released in two equal tranches. The first tranche of up to EUR 37.5 million will be committed upfront at signing, the second tranche will remain at the EBRD's discretion. Each tranche will have a tenor of up to 5 years.

By sharing credit risk, AB will free the capacity for growth and will contribute to further expansion of its lending to underbanked MSMEs in Azerbaijan. The lending will be directed to youth- and women- owned and led MSMEs as well as MSMEs in rural areas of the country therefore promoting inclusive regional economic development.
