Project Description

According to the Bank's website, the project consists of an unfunded risk-sharing instrument (the "Facility") partly covering the credit risk of new sub-loans with a total value of EUR 60 million equivalent (the "Covered Portfolio") to be originated by Kredobank ("KB", the "PFI") in Ukraine.

The Facility will include two sub-limits with the Covered Portfolio of: (i) EUR 42 million under the Resilience and Livelihoods Guarantee product, (ii) EUR 18 million under the EU4Business-EBRD Credit Line with Incentives (assigned with a separate EBRD project number 57396).

Under the Resilience and Livelihoods Guarantee, sub-loans will finance a broader range of working capital and investment needs of Ukrainian private businesses across key economic sectors, helping sustain their operations and livelihoods.

Under the EU4Business-EBRD Credit Line with Incentives, the EBRD and the EU support investment projects of local small and medium enterprises ("SMEs"). The EBRD enables financing of long-term capital investments of SMEs to upgrade their technologies and equipment to EU standards, including investments in sustainable and green technologies (at least 70% of the enabled financing), thereby enhancing businesses' competitiveness. Eligible sub-borrowers will also receive technical assistance funded by the EU and grant support in the form of investment incentives upon the completion of their investment projects.

The Facility will be used to support lending to Ukrainian private companies operating in the primary and secondary agriculture and other critical industries (inter alia food processing, retail, logistics), with the ultimate goal of preserving livelihoods in Ukraine.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at:
