Project Description

According to bank provided information, the investment involves the provision of a senior unsecured loan to Banque Centrale Populaire ("BCP"), of up to EUR 25 million or equivalent in MAD, as part of a EUR 65m "GEFF +" Package (including also up to EUR 40 million or equivalent in MAD MidGEFF loan). Up to EUR 6.25 million is expected to be co-financed by the Green Climate Fund ("GCF") and a comprehensive incentive grants and technical assistance package will be funded by the European Union, as part of the Morocco Decarbonisation and Climate Resilience Programme ("MDCR"), as well as the GCF. The proceeds of the loan will be used by BCP for on-lending to private companies to finance their climate change mitigation and adaptation investments in a gender-responsive way.

The project will promote a green economy in Morocco by supporting private sector Moroccan MSMEs and Midcaps implementing climate change adaptation and mitigation investments in a gender-responsive way. The project will specifically target, among other things: small-scale renewable energy, energy efficiency, green buildings, circular economy, climate adaptation investments (with a particular focus on water efficiency and sustainable land management), digitalisation and blue economy investments.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- BANQUE CENTRALE POPULAIRE SA (Financial Intermediary)

Private Actors Description

BANQUE CENTRALE POPULAIRE DU MAROC

Driven by the values of solidarity and innovation, the Pan-African BCP Group is one of Morocco's leading banking institutions, playing a major role in mobilizing savings and financing the national economy. The Group operates in 32 countries, including 18 across Africa, with a strong presence in the ECOWAS and CEMAC regions and the Indian Ocean zone through its network of universal banks, investment banking, insurance and fintech businesses.

BCP Group has also developed recognised expertise in green finance and in supporting Moroccan SMEs through their energy transition. This commitment dates back to 2014 with the first sustainable finance programmes in partnership with the EBRD, notably MorSEFF, followed by the Green Value Chain programme and GEFF II. Today, sustainability is central to the Group's SME financing, supporting investments in energy efficiency, renewable energy and decarbonisation, and strengthening the sustainable competitiveness of Moroccan businesses.

ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
