Project Description

As stated by the EBRD, the project consists of a senior unsecured loan of up to EUR10 million under the FIF SME Go Green Programme.

The transaction will support the aim of the Programme to:

(i) scale up green economy investments, including energy efficient, resource efficient and renewable energy investments;
(ii) in particular, scale up greening of agribusinesses supply chains and help agribusiness companies in the region reduce their environmental impact and become more sustainable and more resilient to the risks of climate change;
(iii) increase SME competitiveness and trade potential of the private sector via targeted investments in sustainability practices and the adoption of internationally recognised quality standards;
(iv) strengthen the financial sector by supporting climate resilience and inclusiveness of the Western Balkan economies, by improving financial institutions and businesses capacity to deploy sustainable and gender responsive green solutions as well as enhancing climate risk practices to ensure all projects under the Programme are aligned with the Paris Agreement;
(v) promote more equitable access to climate and other finance for women-led SMEs in the region.

Investment Description

- European Bank for Reconstruction and Development (EBRD)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- Banca Intesa Belgrade (Financial Intermediary) **is owned by** Intesa Sanpaolo S.p.A. (Parent Company)

Private Actors Description

As stated by the EBRD, Banca Intesa Belgrade (BIB) is the largest bank in Serbia and is among the leading banks in both corporate and retail banking. As of 2Q26, BIB had a market share of 15.3% by total assets, 15.8% by net loans and 15.8% by deposits. BIB has consistently ranked among Serbia's most profitable banks over the years, driven by its strong economies of scale, well-diversified operations, and high efficiency. ACCOUNTABILITY MECHANISM OF EBRD

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: pcm@ebrd.com or you can submit a complaint online using an online form at: http://www.ebrd.com/eform/pcm/complaint_form?language=en

You can learn more about the PCM and how to file a complaint at: http://www.ebrd.com/work-with-us/project-finance/project-complaint-mechanism.html
