### Project Description

As stated by the EBRD, e-Governance reform agenda Digital Kyrgyzstan is an ambitious initiative of the Kyrgyz Government to modernise all government services to businesses and citizens using innovative IT solutions. Through digitalisation of all possible government processes, implementation of Digital Kyrgyzstan will see reducing bureaucracy and direct interaction between the government and businesses, a major source of corruption. Digital Kyrgyzstan will also enhance regional connectivity within Central Asia. Appreciating the EBRD's extensive experience and expertise in working with private sector and digitalisation, the Kyrgyz Government through Ministry of Justice has requested the EBRD's assistance with assistance in implementation of several components of e-governance reforms agenda that directly affect private sector. These included: (i) e-registration of businesses; (ii) e-notary; (iii) e-patent for SMEs; (iv) consolidation of geospatial information for better investment planning and rights protection. Current assignment 18-E-Notary Phase 4 is focused on development and implementation of mobile application and blockchain platform.

The objective of the proposed Project is to support the KR Government in implementation of Taza Koom programme, specifically through providing international expertise to review the status of the Reform Components and providing advice on the most effective way of their implementation. The Project also aims to support individual reform components of the e-Governance Reform Agenda which help improve business environment.

#### **ACCOUNTABILITY MECHANISM OF EBRD**

The Project Complaint Mechanism (PCM) is the independent complaint mechanism and fact-finding body for people who have been or are likely to be adversely affected by an European Bank for Reconstruction and Development (EBRD)-financed project. If you submit a complaint to the PCM, it may assess compliance with EBRD's own policies and procedures to prevent harm to the environment or communities or it may assist you in resolving the problem that led to the complaint through a dialogue with those implementing the project. Additionally, the PCM has the authority to recommend a project be suspended in the event that harm is imminent.

You can contact the PCM at: [pcm@ebrd.com](mailto:pcm@ebrd.com) or you can submit a complaint online using an online form at:
