## Project Description

According to bank disclosed information, the EIB loan will fund upgrading and paving of Sanniquellias-Loguatom road, a major link connected with the Trans-West African Highway linking Nouakchott-Dakar-Lagos. In particular, the project concerns the rehabilitation of 47 km of the gravel road and other infrastructures. The project will contribute to the reduction of poverty by improving transport infrastructures and the conditions alongside the rehabilitated road connecting Liberia to Ivory Coast.

The overall objective is to boost the post-conflict economic recovery of the two countries in the Mano River Union (MRU) region by improving intra-community and regional trade. Specifically, the project seeks to improve transport conditions in order to reduce costs, facilitate free movements of persons and goods and increasing living conditions of the surrounding communities.

### ACCOUNTABILITY MECHANISM OF EIB

The EIB Complaints Mechanism is designed to facilitate and handle complaints against the EIB by individuals, organizations or corporations affected by EIB activities. When exercising the right to lodge a complaint against the EIB, any member of the public has access to a two-tier procedure, one internal - the Complaints Mechanism Office - and one external - the European Ombudsman. A complaint can be lodged via a written communication addressed to the Secretary General of the EIB, via email to the dedicated email address [complaints@eib.org](mailto:complaints@eib.org), by completing the online complaint form available at the following address: <http://www.eib.org/complaints/form>, via fax or delivered directly to the EIB Complaints Mechanism Division, any EIB local representation office or any EIB staff. For further details, check:

[http://www.eib.org/attachments/strategies/complaints\\_mechanism\\_policy\\_en.pdf](http://www.eib.org/attachments/strategies/complaints_mechanism_policy_en.pdf)

When dissatisfied with a complaint to the EIB Complaints Mechanism, citizens can then turn towards the European Ombudsman. A memorandum of Understanding has been signed between the EIB and the European Ombudsman establishes that citizens (even outside of the EU if the Ombudsman finds their complaint justified) can turn towards the Ombudsman on issues related to 'maladministration' by the EIB. Note that before going to the Ombudsman, an attempt must be made to resolve the case by contacting the EIB. In addition, the complaint must be made within two years of the date when the facts on which your complaint is based became known to you. You can write to the Ombudsman in any of the languages of the European Union. Additional details, including filing requirements and complaint forms, are available at: <http://www.ombudsman.europa.eu/atyourservice/interactiveguide.faces>
