Project Description

According to the Bank's website, the project aims at protecting, rehabilitating and expanding forests in Côte d'Ivoire through the financing of selected capital-intensive structural investments and soft-asset investments of a comprehensive national reforestation and forest rehabilitation programme.

This operation aims to finance selected elements of a comprehensive national forests rehabilitation programme in Côte d'Ivoire, which is expected to increase the country's forest cover by 2.9 million hectares (i.e. 20% of the Ivorian landmass) over the period 2021-2030. The plan supports the implementation of the National Strategy of Conservation, Restoration and Expansion of Forests (SPREF, 2019), which aims at halting and reversing the high deforestation rate of the country.

ACCOUNTABILITY MECHANISM OF EIB

The EIB Complaints Mechanism is designed to facilitate and handle complaints against the EIB by individuals, organizations or corporations affected by EIB activities. When exercising the right to lodge a complaint against the EIB, any member of the public has access to a two-tier procedure, one internal - the Complaints Mechanism Office - and one external - the European Ombudsman. A complaint can be lodged via a written communication addressed to the Secretary General of the EIB, via email to the dedicated email address: complaints@eib.org, by completing the online complaint form available at the following address: <http://www.eib.org/complaints/form> via fax or delivered directly to the EIB Complaints Mechanism Division, any EIB local representation office or any EIB staff. For further details, check: http://www.eib.org/attachments/strategies/complaints_mechanism_policy_en.pdf

When dissatisfied with a complaint to the EIB Complaints Mechanism, citizens can then turn towards the European Ombudsman. A memorandum of Understanding has been signed between the EIB and the European Ombudsman establishes that citizens (even outside of the EU if the Ombudsman finds their complaint justified) can turn towards the Ombudsman on issues related to 'maladministration' by the EIB. Note that before going to the Ombudsman, an attempt must be made to resolve the case by contacting the EIB. In addition, the complaint must be made within two years of the date when the facts on which your complaint is based became known to you. You can write to the Ombudsman in any of the languages of the European Union. Additional details, including filing requirements and complaint forms, are available at: <http://www.ombudsman.europa.eu/atyourservice/interactiveguide.faces>
