## Project Description

As stated by the EIB, the operation is dedicated to finance energy efficiency and renewable energy projects carried out in Italy by private individuals.

The operation consists of a EIB guarantee on a mezzanine tranche of a synthetic securitisation promoted by Findomestic SpA, the Italian subsidiary of BNP Personal Finance, part of BNP Paribas Group. The EIB guarantee will free up capital of the financial intermediary which will be able to generate a new portfolio of green retail consumer finance loans in the amount equal to 2.6x the guarantee amount. The new loans will target energy efficiency and alternative energy production equipment purchased and installed by Italian individuals and households. This is a first operation ever for EIB in Italy targeting retail segment as final beneficiary of EIB resources and bearing a full climate action purpose.

## ACCOUNTABILITY MECHANISM OF EIB

The EIB Complaints Mechanism is designed to facilitate and handle complaints against the EIB by individuals, organizations or corporations affected by EIB activities. When exercising the right to lodge a complaint against the EIB, any member of the public has access to a two-tier procedure, one internal - the Complaints Mechanism Office - and one external - the European Ombudsman. A complaint can be lodged via a written communication addressed to the Secretary General of the EIB, via email to the dedicated email address: [complaints@eib.org](mailto:complaints@eib.org), by completing the online complaint form available at the following address: <http://www.eib.org/complaints/form> via fax or delivered directly to the EIB Complaints Mechanism Division, any EIB local representation office or any EIB staff. For further details, check: [http://www.eib.org/attachments/strategies/complaints\\_mechanism\\_policy\\_en.pdf](http://www.eib.org/attachments/strategies/complaints_mechanism_policy_en.pdf)

When dissatisfied with a complaint to the EIB Complaints Mechanism, citizens can then turn towards the European Ombudsman. A memorandum of Understanding has been signed between the EIB and the European Ombudsman establishes that citizens (even outside of the EU if the Ombudsman finds their complaint justified) can turn towards the Ombudsman on issues related to 'maladministration' by the EIB. Note that before going to the Ombudsman, an attempt must be made to resolve the case by contacting the EIB. In addition, the complaint must be made within two years of the date when the facts on which your complaint is based became known to you. You can write to the Ombudsman in any of the languages of the European Union. Additional details, including filing requirements and complaint forms, are available at: <http://www.ombudsman.europa.eu/atyourservice/interactiveguide.faces>
