Project Description

According to FMO website, FMO has provided TLF with a senior secured loan of EUR 3 million and a tenor of 5 years. Thanks to TLF's outreach to the rural area and good market position, our loan will facilitate access to finance to local entrepreneurs whom otherwise would have little access to (long-term) financial services. This will enable the end-clients to develop their businesses and improve their livelihoods.

Investment Description

- Netherlands Development Finance Company (FMO)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

Private Actors Description

As stated by the FMO, ICS Total Leasing & Finance S.A. (TLF) was established in 2006 to provide financial leases to micro, small and medium-sized enterprises (MSMEs). The lease portfolio mainly consist of motor vehicles and equipment leasing. In 2010, in addition to leases, TLF started with lending to MSMEs. With only operating through one office (no other branches), TLF has a low cost structure. Besides being a lender, FMO is a 25 percent shareholder of the institution.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
