Project Description

According to the project disclosure, FMO will finance the extension of the production capacity. By financing the extension plans of Eurobakery, new jobs will be created and the production process will become more energy efficient. This will help Eurobakery to meet the fast growing demand of the Chinese market.

Investment Description

• Netherlands Development Finance Company (FMO)

Private Actors Description

As stated by the FMO, Eurobakery is an industrial bakery located in Beijing which produces bread, pastry and fresh sandwiches. Its clients are coffeeshop-chains, caterers, supermarkets, hotels and airports. The wholesale activities started in 2011. The company outperforms in quality and product inventiveness.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
