## Project Description

According to FMO website, Bina Artha fulfils a role in providing finance to the underserved microsegments of Indonesia by providing group loans and individual lending to micro and small enterprises. FMO's financing will support further growth of the company's loan portfolio.

MFI's play a pivotal role promoting economic growth of the base of the pyramid by providing finance to micro and small entrepreneurs. PT Bina Artha Ventura is a growing MFI in a Lower Middle Income Country where financing of small entrepreneurs has a tremendous development impact. The financing will have a positive contribution to at least three of the UN Sustainable Development Goals: SDG 1 (no poverty), SDG 5 (gender equality) and SDG 8 (decent work and economic growth).

## Investment Description

- Netherlands Development Finance Company (FMO)

PT Bina Artha Ventura is a Venture Capital Company actively engaged in the microfinance sector in Indonesia. It is a strong, transparent and professional managed MFI that gained sizeable market share in its four years of existence supported by CreditAccess Asia, a solid and well-funded group in the Netherlands.

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
