## Project Description

To raise awareness among family-owned business clients on the importance of improving their governance practices. To provide families with a better understanding of their particular strengths and challenges and tools to help them in their prioritization and long-term planning. FMO is proud to partner with one of the premier business schools, INSEAD, for the design and delivery of this top quality interactive workshop.

## Contact Information

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
