Project Description

According to FMO website, Dolma Fund Management is the Fund advisor of the Dolma Impact Fund I. The project aims to hire an international consultant to guide them with Environmental & Social risk management policies. Armed with better knowledge on the implement of an ESMS, Dolma will be better equipped to take E&S aspects into account in their deal structuring. At the same time this CD project will generate new business insights that help decision makers and senior staff steer the organization to a higher level of performance.

Investment Description

- Netherlands Development Finance Company (FMO)

Private Actors Description

Dolma Fund Management is the Fund advisor of the Dolma Impact Fund I. This is a first time private equity fund to provide capital to SMEs in Nepal.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
