Project Description

The aim of this project is to continue a successful relationship with the GBA, and to focus on African and Asian banks through the hosting of All Stars in Sri Lanka (March 2018) and South Africa (mid-2018). Furthermore, the need for peer mentoring is also high in the market, and hence FMO will support the mentoring program's further roll-out and development. Finally, a portion of the grant will be allocated to the annual conferences.
