Project Description

According to the bank document, the proposed debt funding will be dedicated to the development and construction of a 30MWp PV Solar plant in Ukraine. Scatec will provide the necessary equity contributions along with a prospective co-investor. Because Kamiyanka will be funded by EBRD under their Ukraine Sustainable Energy Lending Facility ("USELF III") and EBRD's E&S Performance Requirements do apply for this Project, reference is also made to EBRD's website:

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
