## Project Description

At the time of writing, the project description is no longer available on the FMO website. However, the following information was previously disclosed:

### WHO IS OUR PROSPECTIVE CLIENT?

Accion Venture Lab ("AVL") is a fintech venture capital fund, part of Accion International. AVL makes seed and early stage venture capital investments in fintech companies that employ business models to enhance financial inclusion for the underbanked and unbanked populations in emerging markets globally.

### WHAT IS THE FUNDING OBJECTIVE?

FMO is the cornerstone investor in the fund and will help to catalyse capital to help AVL achieve its investment objective of ensuing financial returns and measurable social impact by making seed and early stage venture capital ("VC") investments in fintech companies that employ innovative business models to enhance financial inclusion for the underbanked and unbanked populations in emerging markets globally.

### WHY DO WE WANT TO FUND THIS PROJECT?

The intended investment in is a strong fit with FMO's objectives to increase financial inclusion for unbanked populations, empower entrepreneurs and their local communities, to support innovation, and serve the un(der)banked populations in emerging markets.

### ENVIRONMENTAL AND SOCIAL RATIONALE

The Environmental & Social category of AVL is C, since the Fund invests in early fintech companies operating in the real economy with limited environmental impacts
