Project Description

According to bank information, this is a multi-stakeholder project with UNCDF, which has its regional office in Bangkok, Thailand. UNCDF is the United Nations' capital investment agency for the world's least developed countries and has a mandate to provide capital and technical support, to ensure that more households and small businesses gain access to financial services that expand opportunities and reduce vulnerabilities. FMO client MFIs in Asia, as well as innovative start-ups will benefit from the project.

Investment Description

- Netherlands Development Finance Company (FMO)

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
