Project Description

According to the FMO's website, this project provides financing to Kischenzi to improve the quality of its IFRS reporting function while improving its planning/budgeting function by preparing a detailed LT cash flow model for banks and potential investors. The funding will be used to hire an experienced former banker and CFO of top-tier agri company in Ukraine – Ton Huls, who will help to bring the company's accounting and risk management practices up to international standards.

This project has been given a B+ environmental and social risk rating.
