Project Description

According to the bank website, "The FMO loan supports the expansion of Aye's loan portfolio in India. The loan is dedicated to micro entrepreneurs and therefore supports FMO's objective of reducing inequalities. Aye has expanded to the States of Bihar, Jharkhand, Gujarat and Maharashtra which have a prevalence of women entrepreneurship. The FMO loan thus supports Aye's loan expansion to women-owned enterprises and FMO also offers technical assistance targeted at increasing Aye's reach into the women market."

Investment Description

- Netherlands Development Finance Company (FMO)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.
