Project Description

According to bank provided information, the Energy Entrepreneurs Growth Fund (“EEGF”) is a new investment vehicle with a flexible product offering, mainly providing debt financing (incl. mezzanine and subordinated debt) to high impact energy enterprises that are primarily active in off grid and/or decentralized energy solutions. The Fund will be managed by Triple Jump, while Persistent Energy Capital will act as advisor to the Fund.

Investment Description

- Netherlands Development Finance Company (FMO)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
