Project Description

According to the bank document, the Fund is aiming to invest in growth investments in Vietnam, taking significant minority positions. One of the key elements of Excelsior Vietnam's investment strategy is a promotion of cross-border collaboration with Excelsior Asia portfolio in other Asian countries. By investing in "Excelsior Capital Vietnam" FMO intends to support local entrepreneurs and owners of small and medium-sized companies by providing capital for growth and operational advice. Industries supported include retail, education and healthcare.

Investment Description

• Netherlands Development Finance Company (FMO)

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
