## Investment Description

- Netherlands Development Finance Company (FMO)

## Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- [ACCESS BANK RD CONGO SA](#) (Financial Intermediary) **is owned by** [Access Bank Group](#) (Parent Company)

---

### Private Actors Description

Access Bank DR Congo SA is a subsidiary of long-standing client Access Bank Plc of Nigeria. Access Bank is part of a pan-African financial group listed on the Nigerian Stock Exchange. It strives to deliver sustainable economic growth that is profitable, environmentally responsible, and socially relevant.

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
