Project Description

A USD 10 mln senior unsecured loan will facilitate the finance of Access Bank's small and medium-sized enterprises (SME) portfolio in the DRC. The project has a strong emphasize on social and environmental safeguards, particularly on potential human rights impacts.

Investment Description

• Netherlands Development Finance Company (FMO)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

• ACCESS BANK RD CONGO SA (Financial Intermediary) is owned by Access Bank Group (Parent Company)
