Investment Amount (USD)	$ 0.03 million

Project Description

FMO funding will support Yapu Solutions GmhB, a Berlin-based company providing software as well as consulting services in the area of global data, climate-smart finance and inclusive finance, for two assignments:

1) The design of a prototype for a NASIRA due diligence tool that allows for easy assessment of CD needs for consulting firms operating under the NASIRA framework agreements.

2) To help design and execute a knowledge building program (through webinars) to enable FMO's financial institutions clients in LATAM to gain awareness on their Fintech innovation journeys in the region.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW) . A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
