Project Description

Provided loan by FMO has given to JSICB Ipak Yuli Bank (“IYB”) in Uzbekistan. This 5-year loan will be used to finance a combination of women, youth, agriculture Micro and SME customers of IYB (USD 13 million), which contribute to FMO's Reducing Inequalities target. In addition, the loan will partially be used to finance Green projects (USD 2 million), supporting FMO's Climate Action target.

Project Objectives

The loan supports women and young (agricultural) MSME entrepreneurs, with access to finance. Uzbekistan is one of the poorer countries in the region with ~15% of the population living below the poverty line (down from 30% in 2001), of which 75% live in rural areas, where agriculture is the main industry. MSMEs are the core of the Uzbek economy. In 2016 SMEs generated ~60% of the country's GDP and provided more than 75% of total jobs.

Environmental and social rationale

The project has been categorized as Category C in accordance with FMO's Sustainability Policy. The Project's activities are deemed to have minimal or no adverse environmental and social risks and/or impacts. As part of the Project, the Bank will be required to apply the EDFI Exclusion List and Uzbekistan's E&S laws and regulations.
