Project Description

According to FMO's website, this project provides financing to FirstRand Bank to expand its climate finance portfolio in South Africa. This project will support the bank's funding of renewable energy and energy efficiency projects in corporates and smaller businesses. It also facilitates the bank’s shifting focus in its climate portfolio, from mitigation to resilience, through the financing of “climate smart infrastructure”, agriculture and manufacturing.

Investment Description

- Netherlands Development Finance Company (FMO)

Financial Intermediary

Financial Intermediary: A commercial bank or financial institution that receives funds from a development bank. A financial intermediary then lends these funds to their clients (private actors) in the form of loans, bonds, guarantees and equity shares. Financial intermediaries include insurance, pension and equity funds. The direct financial relationship is between the development bank and the financial intermediary.

- FIRSTRAND BANK LTD (Financial Intermediary) **is owned by** FirstRand (Parent Company)

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
