Project Description

Lakeside Energy Private Limited, a project company developing the Lakeside 50MW Wind Power Project in Pakistan and its sponsor the Naveena group. The aim of the CD project is to assist our client and their local E&S consultant in preparing the necessary E&S documentation on time and at adequate quality to the Lenders. The activities supported will include broadening the scope of the impact assessment and management planning carried out so far in accordance with international standards, as well as training and strengthening the E&S and technical capacity of the client and the local consultant engaged in this project so far.

ACCESS TO INFORMATION

As part of FMO's ex-ante disclosure (disclosure of transactions before contracting), you can send requests or questions for additional information to: disclosure@fmo.nl

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
