## Project Description

According to the bank's website, "ASEAN Frontier Markets Fund L.P. is a sector-agnostic PE fund targeting investments in SMEs in Cambodia and Laos. It is the third Fund managed by Emerging Markets Investments Advisers ("EMIA"). FMO and MASSIF previously committed the Fund Managers two predecessor funds and has a long-standing relationship with the team.

MASSIF intends to invest USD 10mln to the Fund, helping reach its First Close. The Fund focuses on frontier markets (Cambodia and Laos) where impact potential is high, and the penetration of PE activities remains low. The investment will allow FMO to keep supporting a trusted partner active in countries where there are limited PE teams with on-the-ground presence and local knowledge."
