## Project Description

Sidian Bank Limited ("Sidian") is a full-service commercial bank based in Nairobi, Kenya with majority shareholder Centum Investment Company Limited. It was originally established in 1984 as an MFI NGO under the name K-Rep. Per late 2014, Centum became the majority shareholder of the bank driving its strategy towards a full-fledge SME focused bank. In early 2016 the bank rebranded to Sidian Bank.

FMO aspires to build a strong relationship with Sidian along the mutual strategy of sustainable commercial development through financing MSMEs in Kenya's real economy (including Young, Female and COVID-19 affected entrepreneurs), thereby enabling those companies to invest in their businesses, create jobs and contribute to the overall economic development and growth of the economy.
