Project Description

According to FMO documents:

> Village Capital is an organization that supports impact-driven seed-stage start-up companies that has a globally distributed team that has supported entrepreneurs in 28 countries. They strategically partner with locally led organizations to ensure a tailored approach to the existing needs and resources in the ecosystem. They have regional offices in India, Kenya, Mexico, and the United States.
>
> As part of our Reducing Inequalities ambition, the funding objective is to support FMO's ambition in scaling inclusive businesses that contribute to reducing inequalities. Through this partnership, FMO, will work with Village Capital as a service provider for the end-end grant management under the project as well as bring in thought leadership and experience of using innovative finance models to increase impact - an important component for FMO's market creation ambition.

As part of FMO's ex-ante disclosure (disclosure of transactions before contracting), you can send requests or questions for additional information to: disclosure@fmo.nl

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
