Financial Institutions	Netherlands Development Finance Company (FMO)
Status	Approved
Bank Risk Rating	B
Voting Date	2023-04-19
Borrower	Nur Jizzakh Solar PV FE LLC
Sectors	Energy
Investment Type(s)	Loan
Investment Amount (USD)	\$ 6.14 million
Loan Amount (USD)	\$ 6.14 million

Project Description

As stated by the FMO, the latter participates as a B-lender with EBRD in the lead. Long term financing will be used to fund the investments needed for the construction of the solar powered project. Such long-term funding is not available from local banks.

The funding contributes to the Company's construction and expansion of their renewable energy assets in the country, accelerating the sustainable energy transition in Uzbekistan.

Early Warning System Project Analysis

FMO's E&S category for this transaction is B+, with key risks relating to land acquisition and potential permanent physical and economic displacement of people.

Investment Description

- Netherlands Development Finance Company (FMO)

Private Actors Description

As stated by the FMO, Jizzakh Solar is a renewable energy company who will build, own, and operate an up to 220 MW solar-power project in Uzbekistan. The company is owned by Masdar which is ultimately owned by Mubadala Investment Company, Taqa and Abu Dhabi National Oil Company. Established in 2006, Masdar is a global leader in renewable energy and sustainable urban development, active in over 25 countries (with credit ratings: Fitch (A+) and Moody's (A2)).

As stated on the company's website, Mubadala is a sovereign investor managing a diverse portfolio of assets in the UAE and abroad.

As stated by Bloomberg:

Abu Dhabi National Energy Company - TAQA is a global energy company with operations in power generation, water desalination, upstream oil/gas, pipelines, gas storage and LNG regas.

Abu Dhabi National Oil Company (ADNOC) explores and produces petrochemical products. The Company offers processing, refining, marketing, and distribution of crude oil, petroleum, gas, sulfur, and petrochemical products. ADNOC serves customers worldwide.

ACCESS TO INFORMATION

As part of FMO's ex-ante disclosure (disclosure of transactions before contracting), you can send requests or questions for additional information to: disclosure@fmo.nl

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
