Metier Capital Growth International Fund III LP

FMO-62278

Quick Facts

Financial Institutions	Netherlands Development Finance Company (FMO)
Status	Approved
Bank Risk Rating	A
Voting Date	2023-09-22
Borrower	Metier Capital Growth Fund III
Investment Type(s)	Fund
Investment Amount (USD)	$ 30.00 million

Project Description

The aim is to bring much needed growth capital to companies in Africa, with underlying objective to foster economic and social development. The Fund will focus on growth capital investments in mid-cap businesses with high growth potential in selected niches, alongside reliable and trustworthy partners. Metier’s return outcomes extend beyond capital appreciation, including improved sustainability levels and social and development impacts that impact a wider stakeholder community.

Early Warning System Project Analysis

This Fund will have the E&S risk category A as some of the investments in the currently presented pipeline are assessed as medium to high risk.

ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: https://www.fmo.nl/independent-complaints-mechanism
