## Project Description

According to the Bank's website, Advans Cote d'Ivoire is a microfinance institution which provides responsible access to affordable and appropriate credit and savings products and other related financial services to small businesses and low-income populations. This project will enable Advans Cote d'Ivoire to accelerate the deployment of its digital transformation journey through the creation of a Local Project Management Office (PMO) and tailor its change management strategy to support the implementation of the harmonised digital infrastructure needed to remain a leading and agile microfinance group in the country.

### ACCOUNTABILITY MECHANISM OF FMO

Communities who believe they will be negatively affected by a project funded by the Dutch Development Bank (FMO) may be able to file a complaint with the Independent Complaints Mechanism, which is the joint independent accountability mechanism of the Dutch Development Bank (FMO) and the German Investment Corporation (KfW). A complaint can be filed in writing, by email, post, or online. The complaint can be filed in English or any other language of the complainant. The Independent Complaints Mechanism is comprised of a three-member Independent Expert Panel and it can provide either problem-solving, compliance review or both, in either order. Additional information about this accountability mechanism, including a guide and template for filing a complaint, can be found at: <https://www.fmo.nl/independent-complaints-mechanism>
